

The Midland Branch of AAUW (American Association of University Women) is announcing its support to send two young women from this area to the **National Conference for College Women Student Leaders (NCCWSL)**. The conference will take place May 29 – June 1, 2019, on the University of Maryland campus. This is the tenth year of our branch’s support for this opportunity for young women leaders and potential leaders to stretch themselves by meeting with others from across the country and hearing women who can inspire them to reach their goals.

The criteria and application are available on our branch website: midland-mi.aauw.net
Click on the “scholarships” tab and select “NCCWSL” from the drop-down list.

I am also sending the application form in this email on the 2nd page.

Applications must be postmarked by or received electronically by January 29, 2019.

In an effort to stretch our funding to cover two winners, we will be asking those selected to apply for an AAUW National Scholarship which will cover conference registration and lodging, optional additional night(s) and an optional activity. Our support will supplement the national scholarship to cover transportation, and non-conference meals. The maximum award will be \$1,500 (the national scholarship + the Midland Branch supplement) per student.

I will be happy to respond to questions via email during December and in January 2019.

Nearly 1,000 young women attended this conference last year. More information is available at aauw.org. Anyone who is seriously interested in attending should also be sure to read the FAQs.

As College/University Partners with AAUW, we hope you will help bring this opportunity to the attention of your female student leaders and potential leaders. As an aside, there are universities that help underwrite the attendance of students.

The young leaders who have attended NCCWSL come home bubbling with enthusiasm and excitement. We would like to help bring that enthusiasm to your campus.

Best regards,
